NATIONAL ARCHIVES MICROFILM PUBLICATIONS

INTRODUCTION

On the rolls of this microfilm publication are reproduced the pension payment cards maintained by the Bureau of Pensions and Veterans Administration for recording payments made from 1867 to 1935 to members of the Regular Military Establishment. These payment cards are part of records of the Veterans Administration, records from 15.

Although an act of September 19, 1792 (1 Stat. 65), provided for the continuance of pensions approved by the Continental Congress, it did not assign the pension payment function to any department. The act of March 23, 1794 (1 Stat. 243), that permitted the addition of new names to the list of existing pensioners, specified that pension payment functions were to be executed by the Secretary of War. Not until designation of 1812 and 1813 did the Secretary of War authorize to receive applications for pensions and to place invalids on the pension list without prior departmental approval.

By 1814 a unit within the office of Military Bounty Land and Pensions had developed within the Secretary's office. Between 1814 and 1818 the unit was known as a branch of Military Bounty Land and Pensions Branch (see section). After the branch was split into the unit in 1818, the Pension Office and the Land Bureau branch, the former was generally known as the Pension Office. In March 1819 Congress provided (1 Stat. 612) for the appointment of a Commissioner of Pensions under the general direction of the Secretary of War. In March 1820 Congress established (1 Stat. 287) the Department of Pensions, to which the Pension Office was transferred. In 1821, by Executive Order (see 15), the Commissioner of Pensions (1 Stat. 612) was established as a separate unit with a separate office and separate records, an independent executive branch.

By 1821 the office of the Commissioner of Pensions had developed into a separate unit. In 1821 the office was known as the Pension Office and was a part of the Department of Pensions. The records of the Pension Office were transferred to the Pension Office in 1821. The records of the Pension Office were transferred to the Pension Office in 1821.

The records of the Pension Office were transferred to the Pension Office in 1821. The records of the Pension Office were transferred to the Pension Office in 1821. The records of the Pension Office were transferred to the Pension Office in 1821.

## NATIONAL ARCHIVES MICROFILM PUBLICATIONS

for the four classes. On the front of the cards entitled "Army Invalid" and "Navy Invalid" are the name of veteran, his certificate number, his unit or arm of Service, the disability for which pensioned, the law or laws under which pensioned, the class of pension or certificate, the rate of pension, the effective date of pension, the date of the certificate, any fees paid, the name of the pension agency or group transferred from (if applicable), the date of death, the date the Bureau was notified, the former roll number, and "home." On the reverse side of the form appear the name of the veteran, his certificate number, and the rate and record of the individual payments. On the "Army Widow" and "Navy Widow" cards, the widow's name replaces the veteran's, and the veteran's name replaces the information about the disability for which pensioned. A block is available on the "widow" card for recording payments made to minors. A major change in the form of the card occurred in 1923, when the payment was made monthly instead of quarterly. Pensioners whose payments extended beyond this period had their payments recorded on a second card—the monthly payment card. In the few instances where a communication has been attached to a card, the communication has also been filmed.

Also in record group 15 are the pension agency payment books from 1878 to 1920, which precede the system of pension payment cards; the registers of pension certificates issued to Army and Navy veterans, sea or shore, and other branches to 1911; and the registers of pension applications to 1911.

The editorial material for this publication was prepared by Ralph Johnson and J. Lynn Jacobs.
